This form was developed pursuant to the Uniform Transfers to Minors Act (UTMA), codified in South Dakota law at SDCL chapter 55-10A. UTMA is a law that provides a simple and inexpensive way to make transfers to minors with control held by a responsible adult (custodian) until the minor becomes of age. Having this completed form on file with SDRS allows a minor to own assets without requiring trust documents or court appointment of a conservator, which may be expensive. Under the provisions of the UTMA, the assets belonging to the minor are controlled and managed by a custodian until the minor reaches 18 years of age.
